Important Information:

Sebring Works attempts to provide accurate and up to date information within the Options and Price List. The Options and Price List should be used for guidance only. Exact specifications, prices, colours and the availability of options may alter from those shown.

Sebring Works reserve the right to make changes to prices, product specifications and the availability of options at any time without notice. Please always consult your Sebring Works Representative for the most up to date information.

Whilst our base models are highly specified as standard, some optional equipment may not be available for all territories and may be subject to additional fitting fees.

Please remember that dependent on your screen settings or printer used to review this information that colours and textures may also appear to be different to reality.

Sebring Works Limited

Precise colours and finishes should be used for guidance only and checked with your Sebring Works representative.

The content of Sebring Works Electric Retro-inspired Options and Price List is provided for information purposes only and is not intended for interpretation as an offer for the sale of any specific goods.

We want all of our customers to enjoy the customisation of their dream car and welcome specific colour and fabric requests.

The main objective is that you enjoy the process!
